- 2. (C) Current Actions.

The Republic of Vietnam Armed Forces Language School Vung Tau will begin classes on 8 December 1969. The 106 US advisory/instructor personnel authorized, are presently on hand and have completed four weeks of instructor pre-service training under the supervision of 3 Defense Language Institute Civilians. The renovation of the Kiet Compound building (the schools facility) has been completed. There are over 500 students presently at the RVNAF Signal School awaiting the opening of this facility. This facility has a capacity of 660 students. These students will learn English in preparation for further training in the ICS programs hard skill facility.

A total of 1070 prospective VNAF personnel were tested in the last 10 days at the Republic of Vietnam Armed Forces Language School using the English Language Aptitude Test. Of the personnel tested, 18.25 percent (195) did not receive the required score for entrance into English Language Training. Another 1,000 students are scheduled to be tested in the next two weeks.

RVNAFLS (Saigon) for the week of 1 Dec 69.
